

2016 Summer Course Program “Taxation and Development”

The Summer Course 2016 on Taxation and development will take place on **15-19 August 2016 on Bohinj lake in Slovenia**. The course is organized by Policy Research Center in cooperation with **Partners**.

The program of the Summer Course is intended to provide in depth analyses of current taxation issues relevant in the development agenda in different countries and continents. The program will review in detail and will also provide space for in depth discussions between trainers and participants on the following topics and tax development agendas:

- Mobilization of Domestic Resources,
- Local and Property Taxation,
- Extractive Industry Taxation,
- International Taxation.

The Course will combine different methods and techniques including – high-level and overview sessions organized in the mornings as well as in depths seminars and workshops as well as panel discussions in the afternoons on the relevant topics based on participant’s preferences with the objective to assure the breadth and depth of the program.

This program is intended for Professionals working in national and international development agencies, NGO’s, journalists, policy advisers, advisers to ministers and members of parliament, policy makers as well as researchers active in research and development.

The lecturers and workshop leaders are carefully selected professionals, researchers, campaign leaders.

Organizations wishing to be partners can still get involved in composition of workshops and program. Please contact office@policyresearchcenter.org if interested to discuss this in detail.

Location: The Summer Course will take place in Slovenia in the mountain/lake resort – Bohinj Lake in Slovenia.

Course certificate and confirmation:

Participants will obtain Confirmation of their attendance – based on the Days of Program and Workshops they attend. Participants wishing to obtain a **Certificate in Taxation and Development** will have to complete also the course assignments and group work.
